```javascript
var plus = plusClicks.map(function() {
  return 1;
});

var minus = minusClicks.map(function() {
  return -1;
});

var change = plus.merge(minus);
```

```javascript
var mousePos = mousePosition.skipDuplicates();

var uniqClicks = buttonClicks.skipDuplicates();

var uniqData = dataForm
  .skipDuplicates()
  .flatMap(function (params) {
    return Stream.fromPromise($.ajax(params));
  });
```
