```javascript
mousedown = $(document).stream('mousedown', '.item');
mouseup = $(document).stream('mouseup');
mousemove = $(document).stream('mousemove');
```

```javascript
mousedown = $(document).stream('mousedown', '.item');
mouseup = $(document).stream('mouseup');
mousemove = $(document).stream('mousemove');

mousedrag = mousedown.flatMapLast(function(e) {
  return mousemove.takeUntil(mouseup);
})
```
